

EKINEX S.p.A.

## Declaration of Conformity

In accordance with UK Government Guidance

1. Product Model / Type:
  - a. Product: **KNX hotel room controller**
  - b. Model: **EK-HO1-TP**
2. Manufacturer:
  - a. Name: Ekinex S.p.A.
  - b. Address: via Novara, 37 – I-28010 Vaprio d'Agogna (NO) - ITALY
3. This declaration is issued under the sole responsibility of the product manufacturer.
4. The object of the declaration described above is in conformity with the relevant UK Statutory Instruments and their amendments:

|               |                                                                                                            |
|---------------|------------------------------------------------------------------------------------------------------------|
| 2016 No. 1091 | The Electromagnetic Compatibility Regulations 2016                                                         |
| 2016 No. 1101 | Electrical - Equipment (Safety) Regulations 2016                                                           |
| 2012 No. 3032 | The Restriction of the Use of Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 |

5. We hereby declare that the product described above, to which this declaration of conformity refers to, is in conformity with the essential requirements of the following standards:

| Reference & Date         | Title                                                                                                                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| BS EN IEC 63044-3:2018   | Home and Building Electronic Systems (HBES) and Building Automation and Control Systems (BACS) - Part 3: Electrical safety requirements (IEC 63044-3:2017)                                                                       |
| BS EN IEC 63044-5-1:2019 | Home and Building Electronic Systems (HBES) and Building Automation and Control Systems (BACS) - Part 5-1: EMC requirements, conditions and test set-up (IEC 63044-5-1:2017)                                                     |
| BS EN IEC 63044-5-2:2019 | Home and Building Electronic Systems (HBES) and Building Automation and Control Systems (BACS) - Part 5-2: EMC requirements for HBES/BACS used in residential, commercial and light-industrial environments (IEC 63044-5-2:2017) |

6. Additional Information:

The technical documentation of the device is available from the authorised representative on UK soil, whose details are reported in the document included in the product packaging.
